**Newsletter**

**July 2024**

**nr. 2**

Hello Dear friends of DHF, greeting from Tanzania.

We are happy to present to you our latest newsletter. We had a positive response on our first and we have a lot to share with you from the projects we are working on, with your generous help. If you have any questions or want to get involved, get in touch with us and become a friend!

*Pendaeli Amos Musani*

## School supplies

Last April we distributed school supplies to King'ori Primary School, providing now 600pcs of exercise books, 96pcs of counter books and 150pcs of ball pens. The head teacher of King'ori Primary School, Mr. Balozi, did thank you a lot for your generosity hand on education to his school pupils.

The donations on the project 'Food Aid & School supplies' and 'Send 10 children to school in Tanzania' were used for this activity.

## LinkedIn page

To give transparent information on the daily operations at DHF, the background of projects and developments, we created a LinkedIn page last month. We have at this point already >70 followers! Join the conversation and ask questions, so Peter and Pendaeli can answer them.

## Violeth

We had a micro project on Global Giving to support our Student Violeth, because she needed a help form a friend to continue her studies. Pendaeli went shopping with Violeth to get her new shoes, exercise books, pencils, pens and a mathematical set, so she is good to go for another year in school!

We have also bought a solar kit for the family home of Violeth, that a member of Destiny Hope Foundation installed for them and instructed how to use this item. It has a 20W solar panel, connected to a battery. It supplies energy for 3 connected led lights, a radio and 2 USB charging points. In this house also lives a grandmother and 4 other siblings who will benefit from the light in the evening, when Violeth can make her homework. Violeth and her family are very thankful for the gift of light, thank you donors!

Look for our new micro project on 'Send 10 children to school in Tanzania' for our 5 year old Haytham, who needs help with schoolsupport. The project 'Tanzania: Powering Progress with Clean Energy!' gives more information on Solar kits and other sustainable solutions.

## Bonus day

GlobalGiving's July Bonus Day 2024 campaign will begin on **July 10, 2024**, at 09:00:00 EDT(2pm London) and will end when matching funds run out, or on July 10, 2024, at 23:59:59 EDT (5am London), whichever comes first. While funds remain, the following matching structure will apply:

Donations of <\$100 USD will **not** be matched!

Donations of >\$100 - \$499 USD: 20%

Donations of \$500 - \$749 USD: 30%

Donations of \$750 - \$1,000: 40%

Donations of >1,000 USD: \$400 USD
